

I am a former Texas dance educator who has had the privilege of working with many award-winning teams. While those accomplishments are meaningful, the most rewarding part of my teaching career has been building lasting relationships with my students and instilling in them the values of hard work and integrity.

I was an Officer of the World Famous Kilgore College Rangerettes and later continued my education at Texas State University, where I danced in the NBA as a San Antonio Spurs Silver Dancer. Following my time in the classroom, I served as Contest Coordinator for Champion Dance, and most recently held the role of Vice President of Operations for Ascension Dance.

While I deeply value each chapter of my journey, I am excited to begin this new season as the Founder of Premier Dance Collective.

I am filled with the Spirit, and I have a deep love for my dance community, family and friends. I currently reside in Fulshear, TX with my high school sweetheart Clint and two wonderful sons Case and Carson.

I look forward to the opportunity to connect and to get to know you better!
